I called Credit One Bank today (877)825-3242 and spoke Carol, one of their representatives. She informed me that Credit One Bank will not send us a settlement offer letter to settle the account. They do not generate their own settlement letters. Credit One Bank will accept a settlement in the amount of \$160.00 due 04/30/2019.

I asked Credit One Bank if I can provide a letter to process the settlement and Carol said that I can.
